

# CÁTIA SÁ

WEB DEVELOPER

## ABOUT ME

Innovative and fast-learner professional, fluent in English, with almost a decade dedicated to customer experience improvement and project management is now passionate about the world of coding.

Started the career as University researcher and always been committed to make the world a better place whether as a Quality and Projects Director or as a software developer.

Experienced in project management, mentoring and training, performed leadership roles guiding the team through the guideline that "nothing is impossible" and focusing on optimizing teamwork.
